

2009 TRACK & FIELD CHAMPIONSHIPS

CONDITIONS OF ENTRY INTO PIAA INTER-DISTRICT CHAMPIONSHIP CONTESTS

PIAA member schools are not required to enter PIAA championship events. Entry and participation in the 2009 PIAA Track and Field Championships are voluntary. Entry into the 2009 PIAA Track and Field Championships signifies that the member school accepts the fact that the PIAA Executive Director, or the Executive Director's designee, reserves the right to make changes in the date of Contests, location of Contests, management, operation, and schedule of the 2009 PIAA Track and Field Championships if, in the judgment of the Executive Director or the Executive Director's designee, it becomes necessary to do so.

MINIMUM NUMBER OF TRACK AND FIELD ENTRIES TO CHAMPIONSHIPS

The minimum number of track and field entries from each PIAA District's qualifying meet, per enrollment classification, to the PIAA Track and Field Championships shall be based on the number of member schools that sponsor a track and field Team which participates in more than 50% of the maximum permitted number of Regular Season Contests in that sport. The following chart lists the **minimum** number of entries, per enrollment classification, from each PIAA District's qualifying meet to the PIAA Track and Field Championships:

SCRATCHES

The PIAA Track and Field Championships is a NO SCRATCH MEET! A contestant may not **scratch** from a PIAA Track and Field Championships event for which they have qualified, **after** the District has submitted its qualifiers to the PIAA Headquarters, except when an illness or injury, certified to by a physician and/or the PIAA Track and Field Championships meet referee, forces a contestant to withdraw. This applies to both contestants in individual events and individual members of relay Teams, but not entire relay Teams. The next place finisher in that event, in that District qualifying meet, shall be moved up into the qualifying position previously held by the scratched contestant to provide for the minimum number of entries from that District qualifying meet to the PIAA Track and Field Championships.

The head track and field coach of a school that desires to scratch a contestant, who has qualified for a 2009 PIAA Track and Field Championships event, must complete a PIAA TRACK AND FIELD CHAMPIONSHIPS SCRATCH form prior to the District submitting its qualifiers to the PIAA Headquarters. PIAA TRACK AND FIELD CHAMPIONSHIPS SCRATCH forms are available at the respective District qualifying meets.

Scratches occurring at the PIAA Track and Field Championships will be received at registration for the PIAA Track and Field Championships or in the equipment room located under the West Stands of Seth Grove Stadium. A PIAA TRACK AND FIELD CHAMPIONSHIPS SCRATCH FORM MUST BE COMPLETED BY THE HEAD TRACK AND FIELD COACH OF THE SCHOOL CONCERNED and the contestant's number of the scratched contestant must be surrendered at the time the scratch is reported, resulting in disqualification from further participation in the PIAA Track and Field Championships.
